4005 Rural Broadband Experiment

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission’s public interest obligations. All RBE participants must provide a response to Line 4001.

**4001.** Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Community Anchor Institutions – FCC 14-98 (paragraph 79)

**4003a.** RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

4003b. Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.

Name of Attached Document Listing Required Information

Broadband Deployment Locations – FCC 14-98 (paragraph 80)

4004a. Attach a list of geocoded locations to which broadband has been deployed as of the June 1st immediately preceding the July 1st filing deadline for the FCC Form 481.

Name of Attached Document Listing Required Information

4004b. Attach evidence demonstrating that the recipient is meeting the relevant public service obligations for the identified locations. Materials must at least detail the pricing, offered broadband speed and data usage allowances available in the relevant geographic area.

**Functionality in Emergency Situations**

**Statement of Compliance**

(FCC Form 481 – Line 610)

Silver Star has established operating procedures designed to facilitate compliance with applicable service quality standards, which may include customer remedies and improvement plans. Specifically Silver Star maintains its entire plant and system in such condition as to enable it to furnish safe and continuous service and conducts inspections of its system and facilities in such manner and with such frequency as may be necessary to obtain knowledge of their current condition and adequacy. Silver Star is capable of functioning in emergency situations and unforeseen events, by maintaining both battery and generator back-up power, which ensure reasonable functionality of voice and broadband services without an external power source. Additionally, voice and broadband traffic can be rerouted around damaged facilities, and Silver Star is capable of managing traffic spikes resulting from emergency situations.
